

CLUB DUES

Hello Parents!

In order to provide awards, patches, and special club nights for your children we ask that club dues be paid by each clubber. We don't enjoy asking week after week for dues and we have made it easy. You can pay all your club dues up front for the year by October 2nd and get a discount. Also if you have multiple children we would like to give a discount. If you can not pay up front, that's ok just be sure to send \$1 each club night with your child. Your child earns AWANA bucks that they can use in our AWANA store and they can earn shares by bringing their dues.

\$32/club year if paid after October 2nd

\$28/club year if paid by October 2nd

\$1/club night per child (if not paid all up front)

\$2.00 discount for each additional child/family

Thank You, AWANA Staff
