

Your child has earned the privilege to wear the Official Cubbie Vest and begin earning achievement patches to proudly display! Wearing an official uniform is encouraged for all club members.

Also your child has advanced to the official Cubbie Workbook. Each club night your child will learn God's word and have verses for memorization right from their own workbook that they may bring home each week.

Listed below are prices for the vest and handbook. Please keep in mind that Cubbies is a 2 year program 3-4 years of age. Order a vest to allow room to grow.
