

5th & 6th grade

Your Clubber is now eligible to wear the Official UltimateAdventure/Ultimate Challenge T-shirt and begin to earn Patches to wear on it! We encourage each clubber to **wear** the official uniform **every** club night. At this point they also have earned the privilege of working in the official UA/UC Workbook. These items will need to be purchased, and the prices are listed below. Please be sure to select the proper size for your child and remember UA/UC is a 2 year program (5th & 6th grades) so you want to be sure they have a little room to grow. Uniforms will be ordered once payment has been received. One final item, Clubbers are asked to pay yearly dues that can be paid up front with a small discount or you can pay them every club night. This allows us to continue to pay for patches, awards and special club nights. If you have any question please see Ms. Falene Holt our club secretary.
